

SPRING LAKE OCEAN RESCUE JUNIOR LIFEGUARD PROGRAM 2018

Spring Lake Ocean Rescue Junior Lifeguards is offering students an opportunity to join a regionally renowned program of disciplined aquatic safety training and education. Our mission is to provide participants with the skills and knowledge to enjoy the beach safely, be physically fit and eventually become one of the elite members of the Spring Lake Ocean Rescue.

Our very popular program is not for the faint-of-heart as we challenge our students to go well beyond their current level of physical capabilities.

The Junior Guards complete strenuous daily workouts on the beach and in the ocean, that in combination with skills development and lifesaving techniques education, result in a competent and confident Junior Lifeguard.

The physical aspects of the program are balanced with camaraderie and fun.

We are privileged to have experienced, dedicated, and highly qualified instructors.

All are United States Lifesaving Association certified lifeguards.

Junior Lifeguards are divided into four age groupings.

- AA: 16-17
- A: 14-15
- B: 12-13
- C: 9-11
